Timeline for MCIR/SIRS Reporting

January – December: Build your roster, assure that appropriate reporting period and grade is marked for each student. Use current grade, or roundup for kindergarten in the Spring and Summer of 2019 – all students will be advanced automatically on August 1st.

October: Childcare closes the report period by going into IP Status and clicking on the “close period” button on October 2nd. (The button will not be highlighted, and you will not be able to close the period if you are not at 90% compliancy.) Continue to update immunization records until you reach at least 90% compliancy.

November 1st: School closes the report period by going into IP Status and clicking on the close period button. (The button will not be highlighted, and you will not be able to close the period if you have not obtained at least 90% compliancy). Complete vision report for all kindergarten students. Continue to update immunization records until you reach at least 90% compliancy.

February 1st: School closes the report period by going into IP Status and clicking on the “close **February 1st**” button. School closes the report period by going into IP Status and clicking on the “close period” button. (The button will not be highlighted, and you will not be able to close the period if you are not at 95% compliancy). Continue to update immunization records until you reach at least 95% compliancy. Contact your local health department or the help desk if you have any questions about reporting.
