| Meningococcal Conjugate (MenACWY)            | None                                                                        |
| Varicella (Chickenpox)*                      | 2 doses at or after 12 months of age  
Current lab immunity or

During disease outbreaks, incompletely vaccinated students may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at www.michigan.gov/immunize.

*If the student has not received these vaccines, documented immunity is required.

All doses of vaccines must be valid (correct spacing and ages) for school entry purposes.
